RESPONSE TO NOTICE OF INCOMPLETE REPLY (NONPROVISIONAL)

Sir:

In response to the Notice of Missing Parts mailed February 12, 2001 and the Notice of Incomplete Reply (Nonprovisional) mailed May 1, 2001, we submit herewith a Petition for Extension

I hereby certify that this correspondence is being deposited today with the United States Postal Service as first class mail in an envelope addressed to: Assistant Commissioner for Patents, U.S. Patent and Trademark Office, Washington, D.C. 20231.

of Time of one month plus fee as well as substitute drawings and a Substitute Specification with a mark-up thereof showing the changes to the specification. What we have done is to take most of the tables and other drawings having textual material and put these drawings into the text itself. This is indicated in the mark-up of the specification to show where this has been done. Consequently, the number of drawing sheets has been reduced from 19 to 15 and the figures have been renumbered in both the formal drawings submitted herewith and in the specification.

In discussing this matter with Mr. T. Koontz of the U.S. Patent and Trademark Office, he indicated that this response would overcome the objection under Rule 84(o).

Respectfully submitted,

Francis J. Maguire
